LeADING THE WAY
To Top of Mind

Sea Technology

The Most Powerful News and Information Delivery System in the Ocean Industry

Sea Technology, including its monthly magazine with searchable archive; annual Buyers Guide/Directory; electronic newsletter; and news-centric website, is the established “voice of industry,” providing reliable and relevant information on the issues and challenges facing the ocean/marine industry today. Company news and in-depth articles on the latest trends, technology, policy and regulation help to keep managers, scientists, and engineers efficient, effective, and competitive in today’s market.

#1

2019 MEDIA CARD
ANNUAL BUYERS GUIDE

Certain sections of the Sea Technology Buyers Guide/Directory appear within the January issue of Sea Technology – industrial firms and their respective products and services. The Buyers Guide e-book includes these sections, as well as those for the federal government, academia offering marine-related programs, oceanographic research vessels, and geographic research vessels.
