Sponsored Content eAlerts

Generate new leads and grow your customer base with our flexible email marketing package: \$2,000 per campaign
 Requirements are as follows:

- Your ZIP file must be less than 1 MB and contain only 1 HTML file
- Place all images and files used by html file in the root directory of the ZIP file and not in sub-folders
- All styles must be internal to the html file
- We recommend the width of your email fall within the range of 600-640 pixels
- Use only letters, numbers, and hyphens in the file name. Spaces or unusual characters can cause processing problems
- The upload is case sensitive, so your code must match your file names exactly
- Please include a subject line and the words "Sponsored Content" at the top of your file.
